Well-being Reimagined

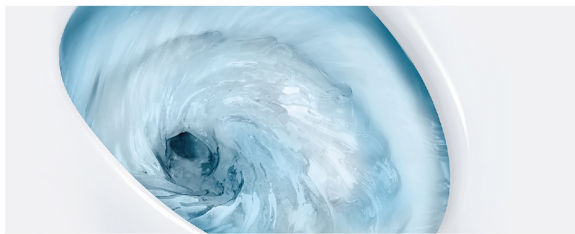

Villeroy & Boch's
ViClean-IA

如同人活著需要幸福感，水也是我們生命中不可或缺的元素。它的純淨滋養了我們的身心靈，給予我們活力以應對日常生活的一切。ViClean-IA 全自動智能馬桶將帶領您一同重新定義幸福的體驗。

Synonymous with well-being, water is a life force that drives us all. It's fresh and offers clarity while both relaxing and invigorating us. Water is pleasure for both the body and the mind, and paramount in our daily routines. Experience well-being reimagined with the shower fresh feeling of Villeroy & Boch's ViClean-IA shower toilet.

PowerJet+

ViClean-IA的PowerJet+強力沖水科技，能確保沖水效能，並同時降低用水量。PowerJet+是將水箱與幫浦結合的獨立式水箱沖水系統，能使每次沖水都能完美節省用水量。

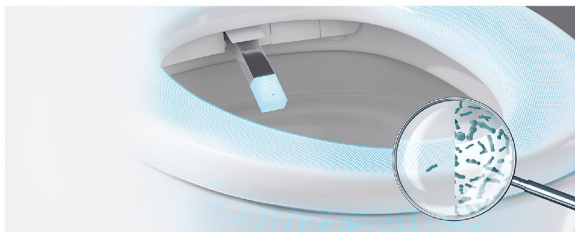

ViClean-IA's PowerJet+ is a powerful flushing feature that ensures continuous flushing performance while using less water. Power Jet+ is combined with an independent tank flushing system. The system consists of only a tank and a pump which contributes to saving water each and every time the toilet is flushed.

HydroLux

ViClean-IA馬桶配有特殊HydroLux按摩沖洗設計，其三秒冷熱循環水壓的按摩功能，可以讓使用者在清潔過程中保持絕佳的舒適度。

The ViClean-IA toilet is fitted with a unique HydroLux massage feature that provides a cycle of both cold and warm water for the ultimate comfort while cleansing.

Hygiene Surface

ViClean-IA馬桶的沖洗噴嘴前端、馬桶座圈，和陶瓷本體皆採用抗菌材質。Antibacterial materials on nozzle tip, toilet seat and ceramics.

SaniCare

採用UV紫外線高效殺菌的ViClean-IA馬桶沖洗噴嘴，可確保有效去除噴嘴上99.99%的細菌孳生。SaniCare技術提供您最高等級的衛生潔淨，每次使用都能安心無虞。

The nozzle of the ViClean-IA toilet is sanitized with UV which is highly effective at killing germs with a 99.9% rate of sterilization. The SaniCare technology delivers the utmost in hygiene and also offers a peace of mind with every single use.

SensorTec

得益於精密的微波傳感器，ViClean-IA智能馬桶能準確的偵測用戶從入座到廁座離座的動作，使日常使用更為輕鬆和便利。

ViClean-IA accurately detects a user approaching, while sitting until leaving the toilet. Thanks to Microwave sensor, a user will enjoy ease and convenience on daily usage.
